

The background of the top section is a deep blue space filled with stars. A bright blue, wavy, ethereal line curves across the right side. In the lower-left, a glowing blue arc represents the horizon of the Earth. Above this horizon, a transparent sphere shows a map of Europe, with bright light rays emanating from it. The text 'The EU Framework Programme for Research and Innovation' is centered in the upper part of the image, and 'HORIZON 2020' is written in large, bold, yellow letters to the right of the sphere.
